

BULK ORDERS + HOLIDAY GIFT PACKAGES

Future Words

An inspiring and thoughtful holiday gift.

From Rohit Bhargava and Henry Coutinho-Mason - the bestselling futurists behind *The Future Normal* - comes a lightly satirical glossary of the words we're all about to need. Drawing on nearly two decades of trend research, this beautifully designed compact book names the shifts you've already noticed.

3 REASONS TO GIFT FUTURE WORDS

1 It helps your team prepare to win the future in 2027.

Each word is a bite-sized preview of the future, and the included discussion guide will inspire new thinking to strategize for coming year.

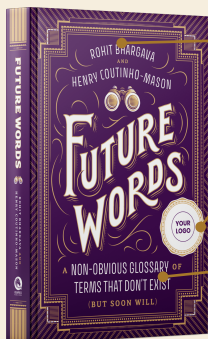

2 It offers your customers a language for new ideas.

The insights from these words can unlock new thinking and encourage customers to imagine bigger collaborations in 2027.

3 It is a FUN gift that looks as good as it reads.

A compact hardcover with gold foil trim and a color interior that feels like a vintage style dictionary and thoughtful keepsake.
